Allotment Rent Increase

Allotment rents from October 2020 will be charged according to the size of your plot, as agreed by Stamford Town Council on 24th September 2019. From October 2020 plots will be charged at **18p per square metre**, in addition the water charges will also be calculated at a square metre rate per site.

As you are aware prior to receiving this letter, Stamford Town Council has measured plots for accuracy of billing, details of your plot size can be found on your tenancy agreement.

Rents will continue to be charged annually. No refunds are given if tenancies are terminated by either party, unless subject to rule 1.4 of the Allotment Rules and Regulations. All invoices must be paid within 40 days from date of issue.
