

## **PRESS RELEASE**

### **Parade of Floats**

Stamford Town Council is very disappointed and sad that Stamford's Parade of floats has had to be cancelled, due to the delays to the resurfacing of Red Lion Square, as outlined by the Kiwanis. It is especially regrettable, as the Parade would have brought joy to the Town, residents and visitors alike following the past two years of Covid constraints.

The Town Council has supported Pride of Stamford Litter Pickers in trying to rescue the event, in different forms, including exploring a static event, but alas this has proved unsuccessful. Without doubt considerable work and effort has been invested in organising this event to this point and the Council wishes to thank the Kiwanis and Pride of Stamford for all their valiant efforts. We look forward to the event next year but would encourage all to join in the fun on the Recreation Ground on Sunday 03 July for the Rock on the Rec from 12noon to 7pm. Hope to see you there!

Patricia Stuart-Mogg  
Town Clerk  
Stamford Town Council
