

Stamford Funtopia Event Description

The BIG day out for little kids is coming to Stamford for the first time ever!

Our fun-filled festival - designed especially for under 10's, is filled with all the fun and games your family could want to make this exciting day out one to be remembered! Funtopia has high energy inflatables, role play areas, shows and competitions, character meet and greets, giant games, huge water fights, a tasty food court and more!

We even have an incredible Under 5's area for our mini guests, filled with Bouncy Castles, Soft Play, Ball Pool, Ride On's and other fun toys and games.

This year EVERY Funtopia will have an exclusive Autism Friendly Session at the start of every day! Especially for children who may struggle to attend a general Funtopia event. With limited numbers, no music, sensory games and activities, our Autism Friendly Session is perfect for children not only with autism, but those with SEND as well. Siblings are also welcome!

Arrive hungry and sample an array of delicious menus in our Food Court which offers sweet and savoury meals to suit all taste buds!

Don't forget to treat those at home as you wander around our Independent Trade Stalls which have a selection of unique products for sale.

Our 60+ day 2023 Tour shall include a variety of exciting new activities and attractions which shall be revealed throughout the winter. Follow our Facebook Page www.facebook.com/funtopiauk for all the latest news and updates! 😊
